

## **UC Riverside Citrus Day For Industry**

**Thursday, January 31, 2013**

**9 a.m. to 3:30 p.m.**

**UCR Agricultural Operations, Riverside, California**

**Enter field from gate on west side of Canyon Crest Drive, south of Martin Luther King Blvd.**

Please join us for a Citrus field day designed for citrus growers and citrus industry representatives. Pending approval, we will be offering 3 hours of Other and 1 hour of Laws and Regs for California Continuing Education Credit for Pest Control Advisers (PCA).

A separate Citrus Day for the general public will be announced in late January.

### **Presentations, field tours and topics:**

- Citrus Variety Collection tours of Mandarins and Sweet Oranges and Lemons and Citrus Relatives
- Citrus Scion Breeding program
- Phytophthora root rot and trunk decay
- Asian Citrus Psyllid - detection, monitoring, and control
- Givaudan Citrus Flavor Design and Development

### **Barbeque Lunch and Short Lunch Time Presentation**

**Registration is \$15. Space is limited so register early.**

To register, please print the attached form or download the registration form at the UCR Citrus Variety Collection website: <http://www.citrusvariety.ucr.edu/>.

**Register now; there will be no walk-in registrations.**

To make a tax-deductible contribution to the *Citrus Variety Collection Endowment fund* or the *Citrus Research Center & Agricultural Experiment Station support fund* go to the following link and select *College of Natural and Agricultural Sciences* then select the specific fund:
