

UC Riverside and the Citrus Research Board partner to provide:

UC Riverside Citrus Day for Professional Industry members

Thursday, February 20, 2014

8 a.m. to 3:00 p.m.

UCR Agricultural Operations, Riverside, California

For information: (951) 827-5906

Please join us for the 3rd Annual Citrus field day designed for citrus growers and citrus industry representatives. Pending approval, we will be offering 2.5 hours of California Continuing Education Credit for Pest Control Advisers (PCA).

Presentations, field tours and topics of interest:

- Pesticide safety – Vince Samons
- Update on ACP and HLB in California – Joseph Morse
- *Phytophthora* diseases of citrus – Jim Adaskaveg
- Lemon Varieties for the Desert – Glenn Wright
- Understanding factors that influence the eating experience in citrus – David Obenland and Mary Lu Arpaia
- Citrus Variety Collection tours of new cultivars and “unforbidden” fruits – Tracy Kahn, David Karp, Tom Shea, and Robert Krueger
- Update on Citrus Rootstock Field Demonstration – Mikeal Roose

Barbeque Lunch included.

Registration: \$18. Deadline: February 14, 2014. There will be no walk-in registrations. We will email directions and updates to all who have registered.

Space is limited so please register early.

Please register online at <http://form.jotformpro.com/form/40196914861965>
