Past Progressive Farmers Seminars

Dara, S. 2014. Insecticide resistance management. Blythe CA, Progressive Farmers. Feb. 20

Putnam, D. 2014. Water Issues Related to Alfalfa Production. Blythe CA, Progressive Farmers. Mar. 20

Bali, K. 2014. Water Issues Related to Alfalfa Production. Blythe CA, Progressive Farmers. Mar. 20

Godfrey, L. 2013. Spider mites and late-season aphids in cotton. Blythe CA, Progressive Farmers Cotton Workshop. Oct. 17

Silvertooth, J. 2013. Agronomic practices to make up for early season fruit loss; Maximizing the top crop. Blythe CA, Progressive Farmers Cotton Workshop. Oct. 17

Roberts, P. 2013. Brown Stink Bug Biology, Ecology & Management in Georgia. Blythe CA, Progressive Farmers Cotton Workshop. Oct. 17

Ellsworth, P. 2013. Commercial-scale Brown Stink Bug Management Trials in Arizona. Blythe CA, Progressive Farmers Cotton Workshop. Oct. 17

Matheron, M. 2013. Lettuce diseases (Sclerotinia, downy mildew, powdery mildew). Blythe CA, Progressive Farmers. Sept. 19

Watkinson, I. 2013. Adjuvant Chemistry – Factors for selecting the right surfactant or adjuvant. Blythe CA, Progressive Farmers. June 20

Lannini, T. 2013. Herbicide drift, Symptoms and prevention. Blythe CA, Progressive Farmers. Apr. 21

Putnam, D. 2013. Key emerging issues for alfalfa in the future. Blythe CA, Progressive Farmers. Mar. 21

Mitchell, J. 2013. Development of conservation agriculture systems in the Central Valley. Blythe CA, Progressive Farmers. Feb. 21

Becker, O. 2012. New tools for the management of plant parasitic nematodes. Blythe CA, Progressive Farmers. Oct. 18

Hutmacher, R. 2012. The present and future of management of *Fusarium* race-4 in cotton. Blythe CA, Progressive Farmers. Jun. 21

Ellsworth, P. 2012. Cotton IPM. Blythe CA, Progressive Farmers. May 17

Natwick, E. 2012. Control of alfalfa weevil and aphid control in alfalfa. Blythe CA, Progressive Farmers. Apr. 19

Silvertooth, J. 2012. Water and nutrient management for optimum cotton production efficiency. Blythe CA, Progressive Farmers. Mar. 15

Mostafa, A. 2012. Insect Pest management in Desert-Grown Alfalfa. Blythe CA, Progressive Farmers. Feb. 16

McGiffen, M. 2011. Why does compost tea increase yields and control nematodes? Blythe CA, Progressive Farmers. Nov. 17

Pedro A. 2011. Precision agriculture. Blythe CA, Progressive Farmers. Oct. 20

Marshall J. 2011. How Human Failures Lead to Ineffective Pest Management Programs. Blythe CA, Progressive Farmers. Sept. 15

Leong, J. 2011. Call of the wild: can local, native bees benefit watermelon growers? Blythe CA, Progressive Farmers. June. 16

Goodell, P. 2011. Looking Wider, Thinking Larger: Moving IPM from the field to the landscape. Blythe CA, Progressive Farmers. May. 19

Krieger, R. 2011. Pesticide residues as an environmental and consumer issue. Blythe CA, Progressive Farmers. Apr. 21

Henderson, D. 2011. Melon vine decline. Blythe CA, Progressive Farmers. Mar. 17

Ploeg, A. 2011. Nematodes of agricultural concern. Blythe CA, Progressive Farmers. Feb. 17

Tickes, B. 2010. New Herbicide Registrations for Field and Vegetable Crops. Blythe CA, Progressive Farmers. Nov. 18

Matheron, M. 2010. Diseases of melons - powdery mildew. Blythe CA, Progressive Farmers. Oct. 21

Aguiar, J. 2010. Bell pepper production. Blythe CA, Progressive Farmers. Sept. 16

Ellsworth, P. 2010. Cotton IPM. Blythe CA, Progressive Farmers. June. 17

Palumbo, J. 2010. Vegetable research. Blythe CA, Progressive Farmers. May. 20

Godfrey, L. 2010. Two-spotted spider mite in cotton and alfalfa. Blythe CA, Progressive Farmers. Apr. 15

Olson, M. 2010. Plant pathogens of economic concern. Blythe CA, Progressive Farmers. Mar. 18

Barone, P. 2010. Monsoon weather impact on the Blythe area: Causes and consequences. Blythe CA, Feb. 18

Rudig, J. 2009. The implementation and status of the pink bollworm area-wide eradication program. Blythe CA, Progressive Farmers. Nov. 11

Putnam, D. 2009. Key emerging issues for alfalfa in the future. Blythe CA, Progressive Farmers. Oct. 22

Bali, K. 2009. Water management in the desert. Progressive Farmers. Blythe CA, Sept. 24
